MORNINGTON PENINSULA *Beer, Spirits & Cider Adventure*

At Aussie Brewery Tours we believe we have bottled (pardon the pun) the ingredients to create the perfect day out. We recommend you start by heading out to the best breweries and cideries on the Mornington Peninsula. Next, add an incredible range of over 25 different beers and ciders to quench your thirst throughout the day. Lastly, combine a tasty lunch with a touch of live music, and with Aussie Brewery Tours as your designated driver, you've got one incredible day!

Hix Beer @ Hickenbotham Winery | Red Hill Brewery | Mock Red Hill Cider | Mornington Peninsula Brewery | Bass & Flinders Distillery

Often overlooked when it comes to food and wine, the Mornington Peninsula is Victoria's best-kept secret - a spectacular touring location with some fantastic places to visit. From Melbourne we head straight to Mornington, where our first stop includes a tasting paddle so large it takes two people to carry it! After a delicious lunch, several more stops, more beers, some artisan spirits and organic ciders, we end the day with live music in a popular brewery that the locals try to keep secret.

Available Friday, Saturday and Sunday, the Mornington Peninsula tour is one of our favourites and is best for relaxed touring where the main objective is to have your own Sunday session – no matter what day it is!
